Teaching Experience

2019-present

Purdue University

Graduate Courses

- COM 512 Theories of Interpersonal Communication
Graduate seminar on theory and research in interpersonal communication. Full course planning, instruction, and evaluation.
Fall 2020, Fall 2021, Spring 2023, Fall 2024
- COM 612 Personal Relationships & Technology
Graduate seminar on theory and research on the use of communication technologies in personal relationships. Full course planning, instruction, and evaluation.
Summer 2021, Spring 2022, Fall 2023

Undergraduate Courses

- COM 212 Approaches to the Study of Interpersonal Communication
Introduction to concepts and theories relevant to communication in a variety of social and personal relationships. Full course planning, instruction, and evaluation.
Fall 2019, Spring 2021, Fall 2021, Fall 2022, Spring 2023, Spring 2024, Fall 2024, Spring 2025
- COM 372 Communication in Relationships
Upper level course on theory and research on communication in close relationships. Full course planning, instruction, and evaluation.
Spring 2020, Spring 2021, Spring 2022, Fall 2022, Fall 2023, Spring 2025

COM 491 Disclosure, Privacy, and Secrets
Upper-level course exploring theories and models of privacy and disclosure. Full course planning, instruction, and evaluation.
 Spring 2024

Individual Directed & Independent Study

COM 590 Social Support on Social Media
 Spring 2025

COM 590 Privacy in Computer-Mediated Communication & Human-Computer Interaction
 Fall 2024

COM 590 Communication Research in Taboo Topics & Topic Avoidance
 Spring 2023

COM 590 Communication Theory of Identity & Family Communication
 Spring 2022

COM 590 Theory & Research in Family Communication
 Fall 2020

COM 491 Supportive Communication
 Fall 2022

COM 491 Social Media, Identity, and Relationships
 Spring 2022

COM 491 Theory & Research in Online Supportive Communication
 Fall 2020

2018-2019

The Pennsylvania State University

Undergraduate Courses

CAS 100 Effective Speech
A required, general education course focused on practice of public speaking. Full course planning, instruction, and evaluation.
 Fall 2018, Spring 2019, Summer 2019

CAS 283 Introduction to Computer-Mediated Communication
Introduction to theory and application of technologies for communication. Responsible for discussion sections and grading.
 Fall 2018, Spring 2019

2014-2018

University of Iowa

Undergraduate Courses

COMM 1112 Interpersonal Communication
Introduction to concepts and theories relevant to communication in a variety of social and personal relationships. Responsible for discussion sections and grading.
 Fall 2015

COMM 1305 Studying Communication: Methods
Introduction to empirical research philosophy, tradition, methodologies, and applications within the communication field. Responsible for leading discussion sections and grading.
 Spring 2018

COMM 1816 Business & Professional Communication
Introduction to business and professional communication at individual and organizational levels, including interviewing, speaking, and business writing. Full course planning, instruction, and evaluation.
 Summer 2016, Fall 2016

COMM 2053 Privacy Management in Relationships

Intermediate-level course exploring theories and models of privacy and disclosure. Full course planning, instruction, and evaluation.
Fall 2014, Spring 2015

COMM 2089 Nonverbal Communication

An intermediate-level course on the theoretical study of nonverbal codes and their functions in social interactions. Full course planning, instruction, and evaluation.
Spring 2016, Spring 2017, Fall 2017

2012-2014

Wake Forest University

Undergraduate Courses

COM 113 Relational Communication

Introduction to concepts and theories relevant to communication in social and personal relationships from a goals-based perspective. Responsible for leading discussion sections and grading.
Fall 2012, Spring 2013, Fall 2013, Spring 2014
